

Discussion Questions - Psalm 7

1. Read Psalm 7:1-2. From all that we can gather about this psalm, David was being falsely accused of treason against King Saul. What can we learn from David's response to these false accusations?

2. Read Psalm 7:3-5, 8-9. David knew he had a clear conscience concerning what he had been falsely accused. Discuss why a clear conscience is so absolutely essential to an effective prayer life (1 John 3:21). Can we still have an effective prayer life if we sin? (1 John 1:9, 2:1).

3. Read Psalm 7:17. Discuss David's progression of thought that turned his plea into praise in Psalm 7. Discuss what David bases his praise and thanksgiving on in verse 17.
