

## **Discussion Questions - Psalm 8**

1. Read Psalm 8:1. This verse literally reads, “O Jehovah, our Lord, how majestic is your name in all the earth.” The name “Jehovah” which means I AM is a very wonderful but mysterious name of God. Among many things, it means that God is self-subsistent (Acts 17:24-25), eternal (Psalm 90:2) and unchanging (James 1:17). Do these somewhat incomprehensible attributes shake your belief in the God of the Bible? If not why not?
  
2. Read Psalm 8:3. What is David considering in verse 3? What benefits can such considerations have in our lives?
  
3. Read Psalm 8:4. How do David’s considerations of God’s greatness make him feel? How can this actually be a good thing for us?
