

# HOME FELLOWSHIP

## Discussion Questions for Home Fellowships

1. Read Matthew 1:18-25 again. In this passage Jesus is called Immanuel, which translated means God with us. In theological terms discuss how God is more with His people after Jesus' birth than before.
  
2. In practical terms discuss how God could be any more with His people today than before Jesus' birth. How is the fact that Jesus is Immanuel relevant today?
