

SMALL GROUP

Discussion on Genesis 28

1. In Genesis 24:3 and 28:1 God's people are urged not to take a spouse from the Canaanites. Read 1 Kings 11:1-11 and 2 Corinthians 6:14-18 and discuss the meaning and importance of being equally yoked in marriage.
2. Read Genesis 28:12 and John 1:51. Discuss what Jesus meant when He compared Himself to Jacob's ladder? Finish by reading John 14:6
3. Some say that tithing was strictly an Old Covenant requirement to provided for the support of the Levitical priesthood. But in Genesis 14:20, Abraham gave a tithe to Melchizedek (a foreshadow of Christ), and here in Genesis 28:22, Jacob promised to tithe to the Lord, both of these hundreds of years before the Law of Moses. What if any conclusions can we draw from this concerning tithing today?
