

SMALL GROUP

Discussion on Genesis 46

1. Discuss several possible reasons why God would tell Isaac not to go down to Egypt (26:2), but encourage his son, Jacob, to go (46:3). What applications can you draw from this for your own life?
2. Joseph had not seen his father Jacob for 22 years. Discuss with the group something that you have been praying for many years. Read Luke 11:5-10; 18:1-5.
3. Genesis 46:34 says, "Every shepherd is loathsome to the Egyptians". Discuss how this attitude toward shepherds would work in Israel's favor? What applications does this have to the Christian life? Read 2Corinthians 6:14-18

Applications for this Week
